MASSACHUSETTS CONFERENCE OF THE

UNITED CHURCH OF CHRIST

ARTICLE I

Purpose and Terminology

1. The purpose of the Massachusetts Conference of the United Church of Christ as stated in its charter (1799) is "diffusing the knowledge of the Gospel of Jesus Christ. . . and in concert with other ecclesiastical bodies for the general increase of Christian union and spiritual efficiency and the advancement of Christ's Kingdom on earth."

2. Whenever in these Bylaws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All Churches which are members of Associations in voluntary fellowship with and recognized by the Conference, whether or not such Churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these Bylaws.

4. Whenever in these Bylaws the word "Area" is used, it shall be held to refer to those Associations or combinations of the Associations decided upon by the agreement of the respective Associations and recognized by the Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over Churches or individuals or interfere with the government or discipline of the Churches. It shall advise and counsel the Churches when requested, but it is recognized that each Church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our forebears confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Conference Meetings

1. Stated Meetings. In each year the Conference shall convene its Annual Meeting within the Commonwealth of Massachusetts within the period from April fifteenth through June fifteenth, as the Board of Directors may deem expedient to elect Officers, Executive Officers, Committees, Councils, and a Board of Directors for full or unexpired terms, as the case may be, the hearing of reports, to determine the annual rate of Fellowship Dues to be proposed to the Churches, to act on the recommendation of the Board of Directors concerning the amount or proportion to be retained from Our Christian World Mission giving of the Churches, to adopt a budget for the following fiscal year, and to transact any other business.

2. Special Meetings.

a. Special meetings of the Conference may be convened by the Board of Directors, at such times and places within the Commonwealth as may be determined by the Board, provided, however, that notice of any special meeting and the purposes thereof shall, at least three weeks before the date of the meeting, be sent by mail to each of the Churches entitled to send delegates to the meeting, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield.

b. A special meeting of the Conference shall be convened by the Board of Directors upon receipt by the office of the Secretary of the Conference or Chairperson of Board of Directors of a written petition stating the proposed purposes, and signed by not less than one hundred persons who shall be voting members of the Conference as defined and who shall represent at least fifty Churches, within sixty days of the receipt of such petition unless an already scheduled meeting of the Conference will be held within ninety days.

c. No action shall be taken on any item of business not specified in the notice of the meeting.

3. Call to Order. The Moderator or in his absence the Vice Moderator, shall call the meeting to order and preside. In the absence of both of them, a member of the Board of Directors shall call the meeting to order and conduct the election of a Moderator Pro-tempore.

Not later than one month prior to the meeting of the Conference at which the budget will be presented for approval, there shall be mailed to each Church entitled to send delegates to the meeting sufficient copies of the budget and of the Treasurer's report to provide one copy for each minister and for each delegate to which the Church is entitled. Changes in the budget, either increases or decreases, (except hereafter noted) shall not be considered on the floor of the Conference Meeting unless a written proposal has been filed with the Office of the Treasurer at least ten days prior to the meeting. However, any increases or decreases in the budget may be proposed on the floor of the Conference meeting without advance notice provided 2/3 of the delegates vote to consider the proposal. The rate of Fellowship Dues and the proportion to be retained from Our Christian World Mission shall be voted at the Annual Meeting, and may not be changed by a subsequent meeting in any given year.

Various minor changes made by delegates at the hearings were accepted by the meeting and appear in the final copies of resolutions attached to these minutes. Mr. Williams then asked the delegates to complete their polls of the order in which the resolutions would be considered, and he announced there would be an additional resolution on affirmative action to come before the meeting, as allowed by the Business Committee, and it would be the last resolution considered.

The Moderator called on Dr. Alfred Williams, who spoke of the work of the staff of the MACUCC, called attention to the gray sheets in the delegate packets entitled "Personnel Chart of the MACUCC," and introduced members of the staff.

The Rev. Ms. Susan Savell led the meeting in song, accompanied by Kathy Timpany.

Dr. Williams then addressed the meeting, calling the Holy Spirit the "schoolmaster in educating for transformation" and stressing the importance of naming the name of the Holy Spirit in our midst so that we do not disempower ourselves and give the impression God is not present and that no more educational and transformational work remains to be done.

The meeting was again led in song by Susan Savell, accompanied by Kathy Timpany.

The Moderator called on Merrill Ewing for consideration of the 1985 budget, and it was moved, seconded and voted that:

Appendix A - GUIDELINES FOR CLERGY COMPENSATION 1985

The 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ, concerned with the growth of its churches and the compensation of its ordained leaders, commends the effort of the local churches in endeavoring to reach the goals recommended in Guidelines for Clergy Compensation, 1984.

The 185th Annual Meeting recommends:

(1) that churches not yet at the present minimum salary of $14,500 continue working toward that minimum;

(2) that churches at, or very close to, the present minimum work at improving C, D, E, and F below;

(3) that churches already at or above the present minimum and also providing for C through F give a cost-of-living increase.

(PLEASE NOTE that these abbreviated guidelines are designed to be used in conjunction with Guidelines for Clergy Compensation booklet from the Conference office.)

A. CONSIDERATIONS FOR DETERMINING CLERGY COMPENSATION:

While the ministry is a unique profession requiring special patterns of financial compensation, several overall factors can be considered in determining the level of support for clergy. The total compensation package could justly be comparable to the median income of the parish and perhaps be on a par with that of the local high school principal, showing consideration for years of service and special skills and training and including annual cost-of-living increases.

B. CASH SALARY:

The cash salary (not including housing and other expenses) ought to be no less than $14,500 for a full-time person in ordained ministry; less than $14,500 would indicate a person called to part-time work.

C. SOCIAL SECURITY ALLOWANCE:

The church, as an employer, should provide an amount equal to at least one-half of the self-employment SS tax of 11.8%; such an allowance would be taxable income but would ease the burden of the big SS tax bite.

*D. HOUSING THAT PROVIDES:

1. a furnishings allowance, all utilities, and an equity development plan for those living in a parsonage; OR

2. a housing allowance for those who want to rent or own their homes.

E. BENEFITS SHOULD INCLUDE:

1. a pension plan, with a church contribution of 14% of salary basis, which is (a) at least 130% of cash salary plus any furnishings allowance for those living in a parsonage, or (b) cash salary plus housing allowance for those with such allowance;

2. a family protection plan, including disability insurance, which is an additional 1% of pastor's salary basis;

3. group life insurance, which costs $50 per year;

4. Medical and health insurance, plus dental care, as provided through the United Church of Christ (e.g., $2544 in 1984 per family or $1272 for single);

5. continuing education funding;

6. sabbatical leave plan;

7. holiday and vacation time;

8. maternity/paternity paid leave.

F. ALL PROFESSIONAL EXPENSES:

These expenses are the cost of "doing business" for the church and should be paid directly or fully reimbursed and not considered salary. Included are:

1. books, professional subscriptions;

2. professional memberships;

3. travel expenses and car allowance (church-owned car or travel reimbursement);

4. any other expenses incurred by the pastor and directly attributable to the exercise of ministry.

Appendix B - RESOLUTION ON U.S. FOREIGN AND MILITARY POLICY IN CENTRAL AMERICA

WHEREAS the current administration is requesting increased military aid to the government of El Salvador in spite of continuing brutal activities of right-wing death squads;

WHEREAS the Amnesty International has documented at least 3,000 killings of Indians by government forces in Guatemala and yet military aid continues to flow to that country;

WHEREAS the U.S. has significantly increased the amount of military aid to Honduras, has been building new military bases there, and has been conducting continuous joint military exercises on the Nicaraguan border;

WHEREAS the constant attacks and the threat of even wider hostilities have forced the Nicaraguan government and people to divert scarce material, human, and financial resources from the vital tasks of reconstruction and development to the buildup of the country's defense capabilities;

WHEREAS Costa Rica, in difficult financial straits, has accepted at least $2 million for the training of its Civil Guard and is under increased pressure from the U.S. to become militarized;

WHEREAS the Latin American Council of Churches has urged the churches in the U.S. to oppose any form of Aggression against Nicaragua, and the assembly of Evangelical Churches of Nicaragua has specifically requested the support of churches in the U.S. to stop the escalation of hostilities against that nation;

WHEREAS members of the United Church of Christ in this Conference and throughout the country have participated in the Witness for Peace in Nicaragua and have been sent by the United Church Board for World Ministries and the Office for Church in Society under their auspices to Honduras and
Nicaragua to fact find under the mandate for peace of General Synod XIV;

THEREFORE BE IT RESOLVED that the 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ

1. calls upon the United States government and all other external governments to reverse their policies of seeking military solutions to the conflicts in Central America. Instead, we urge the United States government to utilize all diplomatic channels for peaceful negotiating and to allow self-determination in all Central American countries in pursuit of every opportunity to obtain just solutions to long-standing domestic problems;

2. asks individuals, congregations, and other bodies to call upon the United States government to cease all covert or overt activity designed to destabilize the government of Nicaragua;

3. supports the ongoing, non-violent, biblical, and prayerful Witness for Peace in Nicaragua for the Peace Movement in Nicaragua and our nation.

Appendix C - RESOLUTION ON CALLING ON UNITED CHURCH OF CHRIST CONGREGATIONS TO DECLARE THEMSELVES OPEN AND AFFIRMING

WHEREAS the Apostle Paul has said that, as Christians, we are many members, but we are one body in Christ, and recognizing that lesbian and gay people are already members of the church of Christ through baptism and that these same persons have gifts of ministry and faith to offer the United Church of Christ; and

WHEREAS the United Church of Christ has historically affirmed a rich diversity in its theological and biblical perspectives and, as a free church, has encouraged freedom of individual response to the Gospel of Christ; and

WHEREAS the Tenth through the Fourteenth General Synods have adopted a number of resolutions affirming the civil rights of gay and bisexual people, encouraging the inclusion of gay and bisexual people on association church and ministry committees within the United Church of Christ, and addressing the concerns of same-gender oriented persons and their families within the United Church of Christ; and

WHEREAS the Executive Council of the United Church of Christ adopted in 1980 equal employment opportunity policy which does not discriminate against any employee or applicant because of sexual orientation; and

WHEREAS the United Church Coalition for Lesbian/Gay Concerns has urged the implementation of a process whereby United Church of Christ congregations adopt a statement of openness and affirmation of lesbian, gay and bisexual persons in the life and mission of the local congregations:

THEREFORE BE IT RESOLVED that the 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ calls upon all Massachusetts UCC congregations to adopt a statement of openness and affirmation of gay, lesbian and bisexually oriented people who seek to lead Christian lives such as statements adopted by the Presbyterian Church (U.S.A.) "More Light" churches and Lutheran Church in America "reconciled in Christ" churches; the UCC congregations may adopt the following statement or write one of their own:

AFFIRMATION OF OPENNESS AND WELCOME

We know, with Paul, that, as Christians, we are many members, but we are one body in Christ, and members of one another. With Jesus, we affirm that we are called to love our neighbors as ourselves and that we are called to act as agents of reconciliation and wholeness within the world and within the church itself.

continued

We know that lesbian, gay, and bisexual persons are often scorned by the church and devalued and discriminated against both in the church and in society. We wish to witness to our caring and concern for our gay, lesbian, and bisexually oriented brothers and sisters in Christ by affirming the following:

-That we believe that lesbian, gay, and bisexually oriented people share with all others the worth that comes from being unique individuals created by God;

--That gay, lesbian, and bisexual persons are welcome as members and participants in this congregation through the same affirmation of membership as is made by all other members of this church;

--That we expect to celebrate and use the gifts, talents, and resources of our gay, lesbian, and bisexual members as we use and celebrate the gifts, talents and resources of all our members to build a church which is faithful to the mandate of God and working to bring about the fullness of God's reign;

--That we welcome gay, lesbian, and bisexual members to participate fully in the life, leadership and employment of this church.

and:

FURTHER urges all Massachusetts UCC congregations to initiate immediately an education process that would be helpful in enabling lesbian, gay, and bisexual Christians to find all churches a home in which they would be truly welcomed; and

FURTHER calls upon the Massachusetts Conference of the UCC to provide and promote educational resources which local churches may use in seeking to become churches which will be welcome homes for gay, lesbian, and bisexual Christians; and

FURTHER calls upon all Massachusetts UCC congregations to adopt a non-discrimination employment policy covering lesbian, gay, and bisexual seminarians, clergy, other church professionals, and support staff persons.

FURTHER the 185th Annual Meeting of the Massachusetts Conference submits this resolution to the 15th General Synod of the United Church of Christ with following work changes: "185th Annual Meeting..." shall be changed to "15th General Synod,"Massachusetts Congregations" shall be changed to "UCC Congregations," and "Massachusetts Conference of the UCC" be changed to "The United Church of Christ."

(Note: the "Affirmation of Openness and Welcome" borrows heavily in wording and sentiment from the Affirmation of Welcome printed in Adventus, Vol. V, November 8, 1983 and from the Church of the Covenant "More Light" Statement, September 1980.)

Appendix D - RESOLUTION ON WORLD PEACE TAX

WHEREAS Jesus Christ told the apostle in the garden to put away his sword;

WHEREAS we are called to be peacemakers and commanded to love God and our neighbors;

WHEREAS preparations for war in the nuclear age not only threaten combatants in a military situation but pose a clear and present danger to innocent civilians, to the natural environment, and to all of God's creation, which is our greatest gift and for which we have been charged with responsibility as stewards of the Earth;

WHEREAS many people of faith are engaging in war tax resistance as a moral alternative to payment for war preparations, General Synod 14 voted to support those who choose to protest war and preparations for war by non-payment of taxes, and the Massachusetts Conference Board of Directors has endorsed the Synod resolution;

WHEREAS the UCC has stood in support of conscientious objectors and those who oppose military service, resisting the draft as a matter of faith;

WHEREAS the World Peace Tax Fund would offer a legal alternative to non-payment of taxes for those who feel they cannot participate in war and preparations for war, just as conscientious objection provides an alternative to those who are unwilling to take up the sword;

THEREFORE BE IT RESOLVED that the 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ go on record as supporting legislation which would create a World Peace Tax Fund and, through the Council for Mission Outreach and Social Responsibility,

1. advise MACUCC churches and their members that war tax resistance is now an act of civil disobedience as well as a matter of conscientious objection but stands as a concrete method of protest to taxation for war;

2. provide information to churches on proposed World Peace Tax Fund as a legal alternative to war tax resistance;

3. encourage individuals, congregations, and organizations associated with the Massachusetts Conference to contact their legislators to cosponsor and support the WPTF legislature proposal.

Appendix E - RESOLUTION ON PEACE WITH ECONOMIC JUSTICE

WHEREAS, Jesus has called us to be peace makers, agents of reconciliation, to bring good news to the poor and to set at liberty those who are oppressed; and

WHEREAS, the United Church of Christ believes that all live under the sovereignty of God and that this sovereignty extends to all dimensions of life; and

WHEREAS, our Christian faith leads us to believe that the Biblical reason of Shalom in which all people enjoy peace, security, and well-being, is God's will for the world; and

continued

WHEREAS, the United Church of Christ is presently working on defining our church as a peace church, the theology of peace, and the theology of economic justice; and

WHEREAS, the current priority of Peace ends at General Synod XV in 1985 and the priority selection for the 1985-1989 biennium is now in process; and

WHEREAS, the 184th Annual Meeting of the Massachusetts Conference and the XIV General Synod of the United Church of Christ recognized that economic issues are closely related to issues of justice, peace and international security and "opposed the identification of the peace issue with primarily white communities and the justice issue primarily with the Third World and "minority" communities and insists that these two goals not compete with each other in the life of the church but rather be pursued in harmony."

THEREFORE BE IT RESOLVED that the 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ affirms the above stated positions and our desire that Peace with Economic Justice be the priority of the United Church of Christ for the biennium 1985-1989.

BE IT FURTHER RESOLVED that local UCC churches in Massachusetts be encouraged to affirm this priority in the General Synod testing and selection process and in the life of their churches.

BE IT FURTHER RESOLVED that the Minister and President of the Massachusetts Conference of the United Church of Christ communicate this action to the Executive Council of the United Church of Christ.

WHEREAS there is evidence of significant unmet religious need among Latino people in Massachusetts, and the United Church of Christ offers a ministry for Latinos who are seeking a spiritually strong church combined with a social action concern; and

Appendix H - RESOLUTION TO CELEBRATE THE SUCCESS OF THE NESTLE BOYCOTT

"For everything there is a season, and a time for every matter under heaven...
a time to kill, and a time to heal;
a time to break down, and a time to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to dance..."
Ecclesiastes 3:1, 3-4

WHEREAS five years ago, the Annual Meeting of the Massachusetts Conference of the United Church of Christ endorsed the Nestle Boycott, urging members of the Conference to participate in consumer action to persuade the Nestle Company to alter its promotion of infant formula in the Third World, the Conference was instrumental in obtaining the endorsement of General Synod 12 of that year. Three years ago, the Conference celebrated the adoption of the International Code of Marketing of Breastmilk Substitutes passed by the World Health Assembly in Geneva. Throughout the time of endorsement, the members and churches of the Conference, supported by the Hunger Task Force, have been steadfast in their commitment to the cause until measurable changes in company behavior could be documented.

When the boycott began, mothers and children of the Third World were objects of unethical marketing practices of Nestle, including mass media advertising, use of 'milk nurses', distribution of free samples, and inappropriate pressure on medical personnel and institutions. As the boycott gained strength, announced policies of Nestle were changed. Gradually, changes were made in practices. With the WHO Code in place as an international standard, we have seen measurable progress toward our goal.

On January 25, 1984, Carl Angst, chief executive officer of Nestle, and the International Nestle Boycott Committee, signed an agreement that resolved the remaining differences between the boycott coalition and the company. The boycott was immediately suspended for a six-month evaluation period while careful monitoring of company progress proceeded. Reliable information indicates Nestle's good faith in abiding by the agreement.

What has been accomplished is significant. A major transnational company has made substantial changes in marketing practices. An international precedent has been established for regulating international business. A new international model for transnational organizing has been tested and found successful. This is cause for celebration.

But more important, a link has been forged between the people of the privileged, affluent developed world and the people of the developing world. We have established a relationship that in this instance replaces the impersonal oppressive economic ties established by Western corporations. That human link heightens our sensibilities so that our economic behavior cannot be as unconscious as in the past. The lives of the children we have helped to save depend on that increased awareness.

THEREFORE BE IT RESOLVED that the 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ:

1. commends the perseverance displayed in the infant formula campaign that sustained the boycott until appropriate changes in Nestle practice were accomplished;

2. commends the Nestle Company for its leadership in adopting and implementing the provisions of the World Health Organization Code;

3. celebrates the possibility of new life that the changes in marketing practices represent;

4. gives thanks to God for the sustained commitment of the members and churches of the Conference in solidarity with our international partners;

5. recommends that the Hunger Task Force continue to monitor the infant formula industry for compliance with the World Health Organizationp Code.

Appendix I - RESOLUTION ON AFFIRMATIVE ACTION

"WHEREAS THE TWELFTH GENERAL SYNOD voted The Christian Imperative: The affirmative action imperative for Christians is embedded in the heart of the gospel. Our faith is one which seeks equitable treatment among all human beings but we know that humans both by overt and covert intentional and unintentional actions do act towards each other in discriminatory and even invidious un-Christian ways. However, the gospel is always clear identifying with the oppressed and affirming those who are discriminated against.

The Christian imperative to act affirmatively to insure equitable treatment and justice is inherent in our devotion to the scriptures and in our devotion to the example and life of Jesus. All Christians who would call out "Lord, Lord," must also act affirmatively to insure that all people who are recipients of God's grace and love are treated justly by their global brothers and sisters and by the institutions in our society."

AND WHEREAS the Twelfth General Synod also affirmed Affirmative Action and encouraged advocacy groups, legal strategies, and the filing of supportive briefs, amicus curiae in local and national cases in which affirmative action programs are at stake; and continued and expanded support for Project Equality, the church-related program that enables churches to use their purchasing power to support affirmative action and equal opportunity;

AND WHEREAS, the 183rd annual meeting of the Massachusetts Conference U.C.C. voted a Conference Imperative on Racism and Economic Justice;

AND WHEREAS, the Supreme Court of the United States of America by a vote of 6-3 on June 12, 1984 stated that seniority systems outweigh the goals of Affirmative Action when an employer makes layoffs;

AND WHEREAS, the Chief of the Justice Department's Civil Rights Division stated that "the decision went beyond seniority questions to rule out all court mandated preferential treatment of minorities and women in employment, except remedies for proven individual victims of discrimination."

THEREFORE, BE IT RESOLVED that the 185th Annual Meeting of the Massachusetts Conference of the United Church of Christ:

1) expresses our deep concern and dismay that the recent Supreme Court decision will result in increased unemployment of persons of color, women and persons with physical disabilities;

2) urges members of Congress to press immediately to create legislation which protects and supports those who have no seniority because of past discrimination against persons of color, women, and persons with physical disabilities generally;

3) urges members of Congress to abolish the present Civil Rights Commission forthwith, and re-establish an independent Civil Rights Commission which can express its autonomy from any administration;

4) urges the Massachusetts Commission Against Discrimination and the Boston Area Office of the U.S. Equal Opportunity Commission to monitor the effect of this decision within the Commonwealth of Massachusetts on persons of color, women and persons with physical disabilities;

5) urges the Massachusetts Conference of the United Church of Christ to reaffirm our own commitment to the goals and objectives of affirmative action;

6) requests this resolution be communicated to appropriate persons in the Federal and State government.
